Public Comment Form

Contact: **Bill Ferguson, Code Enforcement Officer**

Phone: **716-941-6113 X111**

The **Town of Boston** invites the public to review and comment on its New York State Stormwater Permit Annual Report and Stormwater Management Plan (SWMP) in an effort to increase public awareness and encourage involvement with stormwater pollution prevention.

The **Town of Boston** is a member of the Western New York Stormwater Coalition, a group consisting of representatives from Erie County, Niagara County, thirty-nine regulated municipalities and environmental consultants. The members meet regularly to collaborate on their shared stormwater management work.

The Stormwater Management Plan details the work of the **Town of Boston** as well as that of the WNYSC – which is primarily public education and participation activities. The Annual Report details specific actions and measureable goals related to the SWMP.

We appreciate your time and effort in reviewing our documents.
