Mr. Maxwell apologized to Ms. Lattin for lack of quorum and told her that the Verizon application would be on the agenda for July 16, 2002.

Mr. Maxwell stated that he received, just prior to the meeting, a letter of response from Kevin Kelly regarding the Boston Grille. He asked that the letter be distributed to the members and discussion of the application is included in the next Planning Board agenda.

Mr. Maxwell asked that a letter be sent to Verizon, Sharco, and the Boston Grille apologizing for any inconveniences and to advise them that they would be included on the agenda for July 16, 2002.
