NOTICE OF PUBLIC HEARING TOWN OF BOSTON

NOTICE IS HEREBY GIVEN that the Town Board of the Town of Boston, in the County of Erie, State of New York, will meet at the Town Hall, 8500 Boston State Road, Boston, New York, on June 16, 2021, at 7:35 o'clock P.M. (Prevailing Time), for the purpose of conducting a public hearing in relation to the proposed increase and improvement of facilities of Water District Nos. 1, 2 and 3 (the "Districts"), as described in the Map, Plan and Report for the Town of Boston Wohlhueter, Crestwood and Rice Hill Tank Improvements dated May 2021 and prepared by the CPL Engineers, consisting of improvements to (i) the Wohlhueter Water Tank located within Water District No. 3 and covering and serving Water District 2, at the estimated maximum cost of \$815,000; (ii) Crestwood Water Tank located in Water District No. 3 and servicing Water District #1, at the estimated maximum cost of \$375,000; and (iii) Rice Hill Water Tank located just outside of Water District 2 Extension and servicing Water District 2 Extension and Water District #2, at the estimated maximum cost of \$635,000. The current approved total estimated maximum cost of the project is \$1,825,000, which is proposed to be financed through issuance of bonds by the Town of Boston on behalf of the Districts, payable by levy and collections of assessments on real property in the Districts. Therefore, the project cost burden is expected to be borne by Districts property owners throughout the expected term of the bonds. However, the bonds to be issued shall be general obligation bonds of the Town of Boston and in the event the amount of assessments collected within the Districts is insufficient to pay the cost of the project and/or the debt service related to the project, such costs and/or debt service shall be paid from the general Town taxes. Each of the Districts are provided water by the Erie County Water Authority (ECWA) and the water system is lease managed by the ECWA through agreement with the Town.

Further details concerning such proposed increase and improvement of facilities and the estimated costs thereof are set forth in the above-mentioned map, plan and report which is available for online review at www.townofboston.com.
