TOWN OF BOSTON – RESOLUTION NO. 2021- 57

WATER DISTRICT CONSOLIDATION STUDY

WHEREAS, the Town of Boston’s water distribution system requires extensive improvements in order to maintain safe and reliable water service, with the Erie County Water Authority recommending over \$10.4 million in improvements to the water system and pump station in addition to the cost to rehabilitate three water storage tanks estimated at \$1,825,000; and

WHEREAS, the water distribution system is divided into water districts, but these districts are interconnected, and certain improvements benefit multiple or all water districts; and

WHEREAS, the Town must develop a plan to pay for the needed water system improvements; and

WHEREAS, CPL, as Town Engineers, have recommended that the Town study the costs and benefits of consolidating the town’s water districts, including the potential to expand public water to areas not currently served; and

WHEREAS, CPL has presented a proposal for a water district consolidation study dated September 13, 2021 which will include developing information on the financial impact for all parcels that would be impacted by various consolidation options and preparation of a map, plan, and report as would be required to proceed with district consolidation if desired; and

WHEREAS, CPL has proposed to complete the water district consolidation study for a lump sum of \$23,000; and

NOW, THEREFORE, BE IT

RESOLVED, that the Town Board of the Town of Boston hereby authorizes the Town Supervisor to accept the professional services proposal by CPL dated September 13, 2021 to complete a water district consolidation study for \$23,000.
