A motion was made by Councilwoman Lucachik and was seconded by Councilwoman Martin,

#### RESOLUTION 2023-71 ESCROW AGREEMENT FOR DEVELOPER PAYMENT OF PROFESSIONAL FEES SERVICES FOR EVALUATION OF LARGE-SCALE SOLAR PROJECT

The Town of Boston has received applications for zoning variances, a special use permit, and site plan review from NY Boston II, LLC, an entity associated with Delaware River Solar, related to the development of a 3.6-megawatt solar facility at 7832 Feddick Road, the first proposed large-scale solar development in the Town; and in 2019 the Town enacted a local law to regulate large-scale solar development, but solar development in New York State can be complex and multi-faceted, and to effectively apply applicable laws, rules, and regulations and to ensure that the community is protected from environmental, legal, and other possible issues the Town has determined that it would be appropriate to retain professionals with specific and extensive experience related to large-scale solar development to assist with reviewing the solar development; and the Town anticipates incurring engineering and legal professional services fees connected with the review of the proposed large-scale solar project; the Town has authority to impose on developers reasonable fees associated with reviewing projects as required by State and local law and regulations; and the Town has prepared a draft agreement for the payment of municipal engineering and legal expenses, which establishes a procedure for payment of these fees by the Town using an escrow agreement funded by the

developer; the Town Board of the Town of Boston hereby authorizes the Town Supervisor to enter into an escrow agreement with NY Boston II, LLC, and/or Delaware River Solar LLC for the developer to pay professional services fees associated with the Town's review of the proposed large-scale solar development at 7832 Feddick Road.

#### **RESOLUTION 2023-72**

#### PROFESSIONAL SERVICES FOR EVALUATION OF LARGE-SCALE SOLAR PROJECT

The Town has authority to impose on developers reasonable fees associated with reviewing projects as required by State and local law and regulations; and the Town intends to require the developer to pay the professional services fees associated with review of the large-scale solar project through an escrow agreement; and LaBella, the Town Engineer, has personnel with the specific expertise required to assist with the large-scale solar review; and the Town solicited proposals from several attorneys to act as special counsel to the Town to assist with the review of the large-scale solar project, and has received a proposal dated July 27, 2023, from Knauf Shaw, LLP, to provide the required services, with the explicit understanding that the fees connected with this engagement will be paid by the developer; the Town Board of the Town of Boston hereby authorizes the Town Supervisor to accept the July 27, 2023 proposal from Knauf Shaw, LLP, to act as special legal counsel to the Town for review of the large-scale solar development proposed by NY Boston II, LLC at 7832 Feddick Road, with the fees associated with that engagement to be paid by the developer through an escrow agreement.

#### RESOLUTION 2023-73 EASEMENT AGREEMENT FOR WATER TANK OPERATION, MAINTENANCE, PIPING, CONDUIT, AND WIRING

The Town of Boston ("Town") and its Water District #2 are parties with the Erie County Water Authority ("ECWA") to a Lease Management Agreement pursuant to which ECWA manages the Town's water distribution system and sales and distribution of water to customers in Town water districts; and ECWA seeks to

install a conduit and wiring to improve its ability for electronic communication with instrumentation in the Water District #2 water tank at 8971 Zimmerman Road, and has requested a permanent easement for its conduit and wiring and which further covers other operation and maintenance as well as ingress and egress; and the Town Board, as lead agency, has given due consideration to the impact that the easement described herein may have on the environment and has determined that granting the easement, which involves installation of a communications wire conduit, is a Type II action and requires no further review pursuant to the State Environmental Quality Review Act (SEQRA), constituting Article 8 of the Environmental Conservation Law, and 6 N.Y.C.R.R., Regulations Part 617.5; and this Resolution shall be subject to a permissive referendum pursuant to Town Law Section 64(2); subject to a permissive referendum, the Town Board of the Town of Boston hereby authorizes the Town Supervisor to execute on behalf of the Town of Boston Water District #2 the attached Easement Agreement for Erie County Water Authority to perform certain work and install water tank related equipment at 8971 Zimmerman Road, and to execute any other or further documents as may be required to evidence or record that easement.

**Reports and Presentations:** 

Councilwoman Selby reported on the following:

I attended the Jamboree for the Boston Free Library fund raiser last Thursday, what a great job they did, it was very well attended. There were many baskets donated. Thanks go to Jay Jackson for helping the Girl Scouts with the hotdogs. It was a great event, I brought my whole family, they had a great time. I hope they made some good money that can be well utilized in the library.

Councilman Cartechine reported on the following:

Wished the Boston Patriots Football League the best for the season. I know the junior varsity team last year had a perfect season of 9-0 in the regular season and 2-0 in the playoffs for the championships. I am hoping that they can continue in their success. Announced that the Boston Fire Company is selling raffle tickets for a 2023 Honda Pioneer 700 side by side – that is first place and second place is a Cannondale Comfort 650 e-bike, and third place is \$500 cash. The drawing will be held October 1<sup>st</sup> at the Chicken Barbecue. Tickets are limited to 500 and are \$50.00 a ticket.

Councilwoman Lucachik reported on the following:

Town of Boston Planning Board meeting is scheduled for August 8, 2023, at 7:30 pm. In the Court room, if there is anyone that would like to listen in at the meeting.

Councilwoman Martin reported on the following:

Reiterated what Dr. Mitch Tucker mentioned is the L.E.A.F. Event. The Annual L.E.A.F. Event has been going on very successfully for the past couple of years. We are looking forward to that once again. I also attended the library fundraiser; it was very impressive, and it was a nice time. There were lots of great vendors, food trucks, and activities for the kids.

Town Clerk Quinlan reported on the following:

Yesterday was the Connectlife blood drive, 24 units collected helped save the lives of 72 local patients. Next ConnectLife blood drive is Tuesday September 5<sup>th</sup>, 2-7 pm in the Community room. August 1<sup>st</sup>, Hunting license sales have started, NYS sporting licenses and deer management permits. Deer management permit deadline is October 1<sup>st</sup>. About November 1<sup>st</sup> any leftover DMP's will be available. Scheduling a Waste Management bulk item pickup has been going well. Recently we have had

reports from residents that there has been some difficulty in scheduling bulk item pickups; calling in there is a long wait time, and using the website. This problem has been reported. If you are trying to schedule online at WM.com and have difficulty, call the number provided. 1-866-230-1547 for customer service.

#### Supervisor Keding reported on the following:

The Back Creek Road - Slope Stabilization on Rice Road, the construction meeting minutes were sent to the Board and will be part of the correspondence. I always try to include in the Board packet the most recent information from the Slope Stabilization. They are getting to a point where they will be officially shutting down that section of Back Creek Road. They then start blasting and digging out and putting in the new roadway. As soon as the Town is notified or I hear a set timeline, that will be communicated to the public through social media and the Town's website. The Fire Companies and Emergency Services personnel will be notified as well. The project is going very well, hopefully it will be completed by October 31. The Parks and Emergency Squad building had a generator installed today. Hopefully that is working well. It is one more building on Town property that has a generator, which ties into the Erie County Hazard Mitigation Plan that the Town had worked on. In the very near future there will be some more information regarding a generator for the Town Hall. We all know the power is not always the most reliable in this area. If the power goes out in government buildings and government operations, we will have power during those weather events. Comprehensive Plan, I just wanted to update the community. We had a fantastic meeting, we always time box these to an hour, they are lasting an hour and a half. If anyone here in the audience, watching at home, or if you watch the video later, wants to be involved, please get involved. This is not the Town Board's, Planning Board's, or the Zoning Board's plan, it is the community's plan. There will be a survey going out, it will be web-based, also there will be a paper survey. We are trying a QR code because everyone has a phone. We are trying to keep it simple, we are looking for engagement, we are looking for feedback, the more information we have the better the plan. As more information comes out on the Comprehensive Plan, I will be sure to share. It is going very well. I thank all the committee members and the outreach committee members, they are doing a great job. We can't do it without them. Wednesday August 23, 2023, 6:00 pm, there is going to be a special Town Board meeting. Posted on social media and the Town's website. We are having that meeting because the meeting on the 16<sup>th</sup> was cancelled, it is our summer schedule. I am trying to keep any Town matters for the Board off that meeting, so that will only be a meeting for bills. Every Tuesday in July and August is our Summer Concert Series, it has been going very

well. It is a great community event and great to see everybody attend. The Library had a great event. I did get a chance to speak to Lydia and she always appreciates the Town Board's support, she thanked all of us. It is great to see the community come together. Boston is known for coming together and celebrating these events and supporting our local establishments. Sadly, we did have a fire in the community. The fire was by the Boston Hotel. Hopefully the family is doing well. I heard that there is a Go Fund Me and some additional outreach for the family involved. There was a water main break, caused by a water hammer, that can happen when fighting fires. ECWA reported an 8-foot-long break of a 12-inch water main. It has since been repaired. A lot of money will be spent on fixing the existing water lines in the Town, roughly 20 million dollars. There is a dedicated web page on the Town website specifically regarding water.

A motion was made by Supervisor Keding and was seconded by Councilwoman Martin to adjourn the meeting at 8:08 p.m.

There were no comments from the public.

Supervisor Keding stated the floor is closed.

A motion was made by Supervisor Keding and was seconded by Councilwoman Lucachik,

RESOLUTION 2023-74 PROPOSED MIXED-USE DEVELOPMENT AT 7072 BOSTON STATE ROAD: (1) RESCISSION OF RESOLUTIONS RELATED TO PRIOR PROJECT APPROVAL; (2) NOTICE OF INTENT TO DECLARE SEQR LEAD AGENCY STATUS AND DETERMINE THE SIGNIFICANCE OF THE ENVIRONMENTAL IMPACT FOR NEWLY SUBMITTED APPLICATIONS FOR SITE PLAN APPROVAL FOR MIXED USE DEVELOPMENT AND SPECIAL USE PERMIT FOR FILLING STATION;

(3) SCHEDULING PUBLIC HEARING ON SPECIAL USE PERMIT FOR FILLING STATION; AND (4) REFERRAL TO PLANNING BOARD FOR REVIEW AND SPECIAL BOARD MEETING AUGUST 23, 2023

## RECOMMENDATION REGARDING SITE PLAN AND SPECIAL USE PERMIT APPLICATION

WHEREAS, the Town of Boston previously received, reviewed, and approved applications for site plan approval and for a special use permit for a filling station from 7072 Boston State Road LLC (the "Applicant"), for the proposed mixed-use development of a 5,183 square foot convenience store with fuel and a Tim Horton's with drive-thru, a 5,000 square foot office building, and associated improvements at 7072 Boston State Road, Boston, New York (collectively the "Project"); and

WHEREAS, the owner of an adjoining property has filed litigation in State Supreme Court challenging certain aspects of the prior approvals for the Project including but not limited to the environmental review pursuant to the State Environmental Quality Review Act ("SEQR"); and

WHEREAS, rather than incur the delay, expense, and uncertainty associated with litigation, the Applicant has determined to re-submit its project for approval, and the Applicant's August 9, 2023, letter of intent states that the re-submission will provide the opportunity to address the concerns raised in the litigation commenced by the adjoining property owner; and

WHEREAS, this course of action will save the Town litigation costs; and

WHEREAS, with its August 9, 2023, letter of intent, the Applicant supplied a conceptual plot plan, elevation plans for the proposed buildings, a completed Part 1 of the Full Environmental Assessment Form with attachments prepared pursuant to SEQR, an updated Traffic Impact Study dated August 2023, a Phase I Cultural Resource Investigation report dated February 8, 2023, and a Geotechnical Report dated May 2, 2023; and

WHEREAS, it is appropriate to commence a coordinated environmental review of the Project (proposed action) pursuant to SEQR at this time; and

WHEREAS, as an involved agency with authority to grant or deny site plan approval and the requested special use permit for a filling station, the Town Board of the Town of Boston has the authority to coordinate the SEQR process, serve as a lead agency, and make a determination of significance; and

WHEREAS, Town Code § 123-164 provides that the Town Board, upon receipt of an application, site plan, and supporting data, shall refer said application, site plan, and supporting data to the Town Planning Board for review and recommendation; and

WHEREAS, Town Code § 123-124 requires the Town Board to conduct a public hearing on the requested special use permit, and to refer the application for a special use permit to the Planning Board for review and recommendation prior to that hearing;

SPECIAL BOARD MEETING AUGUST 23, 2023

NOW, THEREFORE, BE IT RESOLVED, that with respect to the Applicant's proposed development of a 5,183 square foot convenience store with a fuel facility and a Tim Horton's with drive-thru, a 5,000 square foot office building, and associated improvements at 7072 Boston State Road, the Town Board of the Town of Boston hereby:

- (1) Rescinds the following Resolutions it passed on June 21, 2023:
  - a. Resolution 2023-47, SEQR Negative Declaration for Mixed Use Development at 7072 Boston State Road (Revised);
  - b. Resolution 2023-48, Special Use Permit for Filling Station at 7072 Boston State Road; and
  - c. Resolution 2023-49, Site Plan Approval for Mixed Use Development at 7072 Boston State Road; and
- (2) Based on a review of the Part 1 of the Full Environmental Assessment Form submitted by the Applicant, classifies the Project as an Unlisted Action in accordance with SEQR regulations (6 NYCRR Part 617) and declares its intent to act as the designated lead agency for the Project. A lead agency coordination request along with project documentation will be circulated to involved agencies. If no objections or responses are received from involved agencies within thirty (30) days from when the completed Part I of the EAF and project documentation was transmitted to them, the Town Board of the Town of Boston will declare lead agency status in advance of making a determination of environmental significance for the Project pursuant to SEQRA.
- (3) Refers the Applicant's conceptual plot plan and any site plan which is developed from that conceptual plot plan to the Planning Board for its review and recommendation;
- (4) Refers the application for a special use permit for a filling station to the Planning Board for its review and recommendation; and
- (5) Schedules a public hearing on the application for a special use permit for a filling station for the Town Board's September 20, 2023, meeting.

Supervisor Keding stated that there is no old business for this meeting.

**Reports and Presentations:** 

Highway Superintendent Telaak reported on the following:

Brush pick up starts the first week in September. We do every road once in September and then again the first week in October. After that it is usually leaf season. We have a resident that wants to build a house on Smolinski Drive, he's offering us a piece of property to build a turnaround at the end of Smolinski Drive. The way it is now the trucks

turn around in a resident's driveway. The owner of the property will work with us, we may have to have it surveyed, but it would be a good thing for the Town to look into that. Working in Parks to get prices on the new fence around the tennis court. The fence was going to be replaced over 10 years ago and it was never done. Trying to get prices on resurfacing the tennis courts, that's going to be very expensive. Maybe we'll have to get the cracks filled and get it repainted.

A motion was made by Supervisor Keding and was seconded by Councilwoman Lucachik to adjourn the meeting at 6:12 p.m.

### ERIE COUNTY DEPARTMENT OF PUBLIC WORKS DIVISION OF HIGHWAYS

### BACK CREEK ROAD (C.R. 438)

### **RECONSTRUCTION/SLOPE STABILIZATION**

### PROJECT NO. CAP-438-23

Date: 8/1/23

### MINUTES OF MEETING: Project Progress Meeting #4

Resident Engineer: Robert Warner Consultant Engineer: Bergmann Project Engineer: Karl Rohde (Erie County) Field Office Location: 8965 Boston State Rd. Boston NY Contractor: Union Concrete - UCC

### Attendees: (See Attached Sign-In Sheet)

### The following is a general outline of the meeting held for this project. Discussions were as follows:

### 01. MEETING CONVENED:

• The project Progress Meeting #4 convened at 09:00 am at the project field office and was attended by the individuals listed on the attached sheet.

### 02. CORRECTION TO LAST MEETING MINUTES:

- Previous meeting held on 7/18/23. There were no corrections or additions to the meeting minutes.

### 03. <u>SCHEDULE:</u>

- Project Completion Date October 31,2023. –
- As of 7/28/23, 56% Time Completed (122 Days /95 Remaining) with approximately 50+% Contract Value Posted (\$235,030)

### 04. WORK PERFORMED LAST PERIOD:

 UCC Dewatering Trench work Rock work Northern half Haul Road still in-place (to be removed)

### 05. WORK SCHEDULED THIS PERIOD:

- Continue rock slope Southern Portion
- Embankment placement upper portion of slope.
- M. Bliss estimates this work to take a couple weeks.

### 06. SUBMITTALS:

- The submittals are being reviewed as they are submitted. The following require review/submittal:
- Bergmann is still awaiting formal submittal on waterline poly wrap.

### 07. JOB SITE AND TRAFFIC SAFETY:

- Tailgate Talks required. Please submit details and sign-in sheets for files
- Work zone traffic control is being reviewed daily.

### 08. <u>SPECIAL/GENERAL ISSUES</u>:

- Select Borrow Material for constructing upper portion of slope.
- Additional Excavation Quantity is estimated by UCC to be approximately 400 CY at the North end. Bergmann to review estimated quantity.
- M. Bliss questioned if Road excavation material will be acceptable to utilize as select borrow fill? This was agreed by Bergmann and McMahon & Mann, to be acceptable providing no large pieces of asphaltic concrete are utilized. Potentially, UCC is also looking to use excavated spoils, consisting of overburden material and excavated shale, from the nearby Buffalo Bills stadium project, for general fill. R. Sessanna with MMCE agreed.

### 09. <u>SUBCONTRACTOR APPLICATIONS/ISSUES</u>:

N/A

### 10. SPEDES – EROSION & SEDIMENT CONTROL

• Weekly Inspections are being performed now that erosion control features in place.

### 11. AFFIRMATIVE ACTION:

- Wage rate interviews are being done on the prime and subcontractors as they come on board the project.
- E. Barbiero mentioned he is verifying certified payrolls are be entered by UCC, into LCP Tracker.

### 12. PROJECT FINANCIAL STATUS:

- Original Contract Value: \$1,099,740.01
- Current Contract Value: \$1,099,740.01
- Pay Voucher #1 Period Ending 3/31/23 \$67,592.50.
- Pay Voucher #2 Period Ending 6/3/23 \$54,513.88.
- Pay Voucher #3 Period Ending 7/1/23 \$75,711.29.
- Pay Estimate #4 to close 8/5/23.

### 13. <u>INSURANCE</u>:

The contractor and consultant have submitted their insurance.

### 14. CLAIMS/DISPUTED WORK:

None to date.

### 15. <u>NEXT MEETING:</u>

August 15, 2023, at 9:00am at the Project field office (8965 Boston State Rd., Boston, NY

The forgoing represents the writer's understanding of the major items of discussion. If this is not the understanding of all parties, please respond in writing within (48) hours of receipt of these minutes.

### ERIE COUNTY DEPARTMENT OF PUBLIC WORKS DIVISION OF HIGHWAYS

### BACK CREEK ROAD (C.R. 438)

### **RECONSTRUCTION/SLOPE STABILIZATION**

### PROJECT NO. CAP-438-23

Date: 8/15/23

### MINUTES OF MEETING: Project Progress Meeting #5

Resident Engineer: Dave Guetta Consultant Engineer: Bergmann Project Engineer: Karl Rohde (Erie County) Field Office Location: 8965 Boston State Rd. Boston NY Contractor: Union Concrete - UCC

### Attendees: (See Attached Sign-In Sheet)

### The following is a general outline of the meeting held for this project. Discussions were as follows:

### 01. MEETING CONVENED:

• The project Progress Meeting #5 convened at 09:00 am at the project field office and was attended by the individuals listed on the attached sheet.

### 02. CORRECTION TO LAST MEETING MINUTES:

The previous meeting was held on 8/1/23. There were no corrections or additions to the meeting minutes.

### 03. <u>SCHEDULE:</u>

- Project Completion Date October 31,2023.
- <u>64% Time Complete</u>d (139 Days Completed /78Days Remaining) with <u>42% Contract Value</u> Posted (\$458,247.89)

### 04. WORK PERFORMED LAST PERIOD:

- UCC continued work as follows:
  - a. Dewatering Trench work still need extending?
  - b. Continued Rock Slope Complete, excluding pipe outlet ditch
  - c. Hauling in select borrow from new Bills Stadium excavation (shale and overburden), placing and grading. This material is compacting very well and currently 200 loads have been received.

### 05. WORK SCHEDULED THIS PERIOD:

- Continue with placement and grading of select borrow.
- Begin roadway excavation.
- Complete removal of stream diversion structure. (Barrier has been removed. Stream needs to be moved back into original configuration.

### 06. SUBMITTALS:

• The submittals are being reviewed as they come in.

Item 203.05 – Select Borrow. Additional Material Costs – Trucking. R. Warner had previously spoke to M. Bliss of UCC, who is estimating the additional cost of trucking to be approx.
 \$125.00/hr., therefore, they are about \$20K thus far, based on 200 loads received to date.

### 07. JOB SITE AND TRAFFIC SAFETY:

- Tailgate Talks required. Please submit details and sign-in sheets for the files.
- Work zone traffic control is being reviewed daily.

### 08. <u>SPECIAL/GENERAL ISSUES</u>:

- Roadway paving limits. Reconstruction or milling, approx. 450 ft. K. Rohde w./ ECDPW, said he would investigate this. Immediately following today's meeting Karl and R. Warner visited the jobsite to assess the road condition beyond the north limit of the contract.
- Paving prior to school opening date (after Labor Day, 09/04/23). M. Baker w./ UCC estimates paving work in approx. 3 weeks. R. Warner said we need to inform the Tn. of Boston Superintendent, of any interruptions to school bus traffic.
- The planting of live stakes is scheduled to be done November 15<sup>th</sup> according to specifications, however the contract completion date is Oct. 31<sup>st</sup>. D. Guetta will speak with Bergmann's environmental engineer, inquiring if these planting can occur the last week in October, without affecting the quality of germination of these plantings.

### 09. SUBCONTRACTOR APPLICATIONS/ISSUES:

• No new applications or issues

### 10. SPEDES - EROSION & SEDIMENT CONTROL

• Weekly Inspections are being performed now that erosion control features in place.

### **<u>11. AFFIRMATIVE ACTION</u>**:

• Wage rate interviews are being done on the prime and subcontractors as they come on board the project.

### 12. PROJECT FINANCIAL STATUS:

- Original Contract Value: \$1,099,740.01
- Current Contract Value: \$1,099,740.01
- Pay Voucher #1 Period Ending 3/31/23 \$67,592.50
- Pay Voucher #2 Period Ending 6/3/23 \$45,617.56
- Pay Voucher #3 Period Ending 7/1/23 75,711.29
- Pay Voucher #4 Period Ending 8/8/23 \$245,804.25

### 13. INSURANCE:

• The contractor and consultant have submitted their insurance.

### 14. CLAIMS/DISPUTED WORK:

• None to date

### 15. <u>NEXT MEETING:</u>

• 8/29/23 at 9:00am; 8965 Boston State Rd. field office.

The forgoing represents the writer's understanding of the major items of discussion. If this is not the understanding of all parties, please respond in writing within (48) hours of receipt of these minutes.

Rolet.m. Warnen

Robert Warner (Resident Engineer)

### ERIE COUNTY DEPARTMENT OF PUBLIC WORKS DIVISION OF HIGHWAYS

### BACK CREEK ROAD (C.R. 438)

### **RECONSTRUCTION/SLOPE STABILIZATION**

### PROJECT NO. CAP-438-23

Date: 8/29/23

### MINUTES OF MEETING: Project Progress Meeting #6

Resident Engineer: Robert Warner Consultant Engineer: David Guetta -Bergmann Project Engineer: Karl Rohde (Erie County) Field Office Location: 8965 Boston State Rd. Boston NY Contractor: Union Concrete & Construction - UCC

### Attendees: (See Attached Sign-In Sheet)

### The following is a general outline of the meeting held for this project. Discussions were as follows:

### 01. MEETING CONVENED:

• The project Progress Meeting #6 convened at 09:00 am at the project field office and was attended by the individuals listed on the attached sheet.

### 02. CORRECTION TO LAST MEETING MINUTES:

- The previous meeting was held on 8/15/23. There were no corrections or additions to the meeting minutes.

### 03. SCHEDULE:

- Project Completion Date October 31,2023. –
- <u>70% Time Complete</u>d (153 Days Completed /64Days Remaining) with <u>Contract Value =</u> <u>\$1,099,740.01</u> and <u>Approved Payments Posted = \$434,725.60</u>

### 04. WORK PERFORMED LAST PERIOD:

- UCC
- ✓ Completed grading of slope.
- ✓ Seeded Slope and installed Rolled Erosion Control Fabric
- ✓ Completed drainage installation.
- ✓ Completed underdrain installation.
- ✓ Completed roadway excavation and performed subbase placement.
- ✓ Completed removal of the stream diversion structure
- ✓ Completed hydro-seeding and mulching.

### 05. WORK SCHEDULED THIS PERIOD:

Based on Special / General Issues noted on next page, UCC M. Bliss mentioned we should delay starting the concrete gutter, paving and guide rail install, until after the crack on the slope is monitored for some time period (2 to 4 weeks, depending on crack stabilization). R. Warner (RE), D. Guetta (Bergmann), J. Janora and R. Sessanna (MMCE) agreed. Refer to Special/General Issues relating to this crack.

### 06. SUBMITTALS:

• The submittals are being reviewed as they come in.

### 07. JOB SITE AND TRAFFIC SAFETY:

- Tailgate Talks required. Please submit details and sign-in sheets for files
- Work zone traffic control is being reviewed daily.

### 08. SPECIAL/GENERAL ISSUES:

- Roadway paving limits remain unchanged per K. Rohde (ECDPW).
- Light stone fill is needed at DS1-1 GSES UCC has this material on site & will use it around DS1-1GSES.
- Bergmann is still awaiting proposal requested for imported Select Borrow (Item 203.05) quantity (loads); per IB #002.
- Surface fracture was brought up and as indicated by J. Janora (MMCE) directly above the original slope crack. Directly following this meeting both R. Sessanna & J. Janora (MMCE) went to the site to mark hub locations for monitoring movement. R. Sessanna said these should be monitored a couple times per week.

### 09. SUBCONTRACTOR APPLICATIONS/ISSUES:

None received.

### 10. SPEDES - EROSION & SEDIMENT CONTROL

• Weekly Inspections are being performed now that erosion control features are in place.

### 11. AFFIRMATIVE ACTION:

• Wage rate interviews are being done on the prime and subcontractors as they come on board the project. K. Witherspoon (ECEOC) mentioned to M. Bliss (UCC) and will notify Erica (UCC) via email that Parts "B & C" of their labor utilization reports are required to check compliance with goals.

### 12. PROJECT FINANCIAL STATUS:

- Original Contract Value: \$1,099,740.01
- Current Contract Value: \$1,099,740.01
- Pay Voucher #1 Period Ending 3/31/23 \$67,592.50.
- Pay Voucher #2 Period Ending 6/3/23 \$54,513.88.
- Pay Voucher #3 Period Ending 7/1/23 \$75,711.29.
- Pay Voucher #4 Period Ending 8/8/23 \$245,804.25.
- The next pay estimate quantities will be compiled later this week or by next week, for Pay Voucher #5

### 13. <u>INSURANCE</u>:

The contractor and consultant have submitted their insurance.

### 14. CLAIMS/DISPUTED WORK:

None

### 15. <u>NEXT MEETING:</u>

Tentatively, September 19, 2023, depending on progression of crack on slope monitoring.

The forgoing represents the writer's understanding of the major items of discussion. If this is not the understanding of all parties, please respond in writing within (48) hours of receipt of these minutes.

# Friends of the Boston Library Inc.

PO Box 200, Boston, NY 14025 716.941.3516 bos@buffalolib.org

8500 Boston State Road Boston, NY 14025

AUG 7 2023 AM3: 49

July 31, 2023

Dear Town of Boston Officials,

On behalf of myself, the staff, and the Friends of the Boston Library, I wish to extend our sincere gratitude to you for providing the library with the use of the Lions Shelter for our Fundraiser!

The 2023 Summer Jamboree surpassed our previous events in both attendance and proceeds. The Lions Shelter location provides the perfect setup and space for our event, and we are so grateful for your contribution in waiving the facility use fee and your support in making the event run smoothly.

Because of the generosity and commitment to the library from local officials, businesses, and patrons, the fundraiser was a success. Funds raised will help ensure that our library continues to thrive in its ability to serve our community.

Thank you for your continued and enthusiastic support!

Sincerely, GaiaHenun Lydia Herren, Director

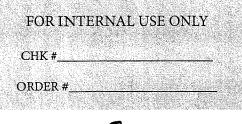

New York Marriott Marquis, NYC

Dear BOSTON (T):

You submitted a Notice of Intent (NOI) form to this Department to gain authorization to discharge stormwater from your Municipal Separate Storm Sewer System (MS4) to the waters of the State. Having submitted your NOI, you are operating under New York's *State Pollutant Discharge Elimination System (SPDES) General Permit (GP-0-15-003) for Storm Water Discharges from Municipal Separate Storm Sewer Systems* (MS4s) and are therefore bound to comply with the terms and conditions of the permit.

Part V.C and Part V.D of the general permit (GP-0-15-003) require you to submit an Annual Report and Municipal Compliance Certification (MCC) form to the Department by June 1 of each reporting year. As of the date of this letter, the Annual Report and MCC form have not been received for the March 10, 2022 to March 9, 2023 reporting period, or are considered incomplete.

Failure to submit a complete Annual Report and MCC form is a violation of your SPDES permit and Article 17 of the New York State Environmental Conservation Law (ECL). ECL §71-1929 provides for civil penalties of up to thirty-seven thousand five-hundred dollars (\$37,500) per day per violation.

### In order to resolve and settle this matter without a financial penalty, <u>you must</u> <u>submit the required Annual Report and MCC form within 30 days of the date of</u> this letter.

Please be advised, if you do not submit the required Annual Report and MCC form within 30 days of the date of this letter, an Order on Consent with penalty will be sent to you for violating the requirement of GP-0-15-003 to submit the Annual Report and MCC form by June 1 of the reporting year. Once this order has been sent, there will be no

opportunity to settle this matter without payment of a penalty. This is a statewide initiative; no exceptions to the time frame or penalty will be accommodated due to the critical importance of SPDES compliance.

If you would like to discuss this matter, please contact Audra Rossignol via email at audra.rossignol@dec.ny.gov.

Sincerely,

Ryan Waldron, P.E. Chief, Metropolitan Compliance Section

highly of the test of the second

WILLIAM E. GEARY, JR. COMMISSIONER

### **DEPARTMENT OF PUBLIC WORKS**

August 3, 2023

CERTIFICATE AND NOTICE OF CLOSURE

STATE OF NEW YORK: COUNTY OF ERIE: }SS

This is to certify that the Commissioner – Highways has jurisdiction of the highways of the County of Erie and does hereby change traffic patterns for that portion of the highway in the Town of Boston, said County, known as Erie, and described as follows:

**Closure:** 

The portion of Boston State Road (CR 227) over Tributary to Eighteen Mile Creek (CIN 227-07A) from Thornwood Drive to South Abbott Road will complete shoulder work and lane shifts. Traffic may experience minor delays. This work will begin August 14, and has an anticipated completion date of November 13. This work is for the purpose of a culvert replacement with shoulder construction and lane shifts. The road will remain open to traffic. Hunting Valley Construction will be performing the work.

A closure is executed under Article V, Section 104A of the Highway Law in order to permit a proper completion of work of improvement thereon.

IN WITNESS WHEREOF: The undersigned has, on this 3<sup>rd</sup> day of August, 2023, set his hand in Buffalo, New York.

Very truly yours,

Hi Everyone,

Did you know France was the first country to make it mandatory for all its supermarkets to give away its unsold perishable food to the people in need? Our food pantry's goal is to offer fresh fruits and vegetables and because of their working relationship with Wegmans and Providence Farm we are able to meet that goal!

Our Food Pantry services the towns of Aurora, Boston, Colden, Concord, and Holland. Can you or someone you know use help in keeping healthy food in your cupboard? Please reach out to us, we are here to help! You can call us at 716 941-3550 or email us at <u>breadoflifeoutreach@gmail.com</u>

It can't already be August, can it? Where did July go? Nonetheless, here we are with school supply ads everywhere! The final stretch of our backpack program is upon us! This annual program provides new backpacks filled with specific school items determined by the teacher's supply list. Our pantry kids and CES kids who qualify are welcome to take part in this program. Such a great opportunity to start the school year prepared and ready to go. We are looking for volunteers to help the students' "shop" for their supplies. The supplies will be displayed on tables in BOLO's basement, the students will arrive and receive their teacher's supply list. We will need you to help the child choose the supplies from the list, help them pick out a backpack and there will be a few other things we will need help with to make this a fun experience for the children. This will take place on Saturday August 26<sup>th</sup> at BOLO. If you are interested in volunteering or have any questions, please email Sue Kellner at kellnerski@gmail.com. This is such a heartwarming event, seeing the excitement in the children's eyes to receive the appreciative thank you from the parents. This is an uplifting time to spend as a volunteer.

There are always lots of items needed to help make a school year successful for the kids but aren't covered by the backpack grant. Some items that the grant doesn't cover that are needed are Kleenex, white board markers and erasers for the classrooms, insulated lunch boxes, water bottles, and ice packs, waste basket garbage bags, hygiene products such as combs, hairbrushes and combs and toothbrushes. Your donations can be dropped off in the blue tub located just inside Gabe's entrance (purple door) at BOLO. On behalf of the children and teachers at CES thank you!

BOLO is as busy as ever! Our popular monthly Free Lunch and Learn program continues. On Monday August 21st 11:30-1:30, Deb Ehmke from Colden's own Essentially Well Oiled will be our guest speaker. Reservations are a must so stop into Gabe's on the Hill to reserve your spot or email us at <u>breadoflifeoutreach@gmail.com</u> Our Makers and Bakers will be holding another children's event with lots of FREE family fun planned on **Saturday August 26**<sup>th</sup> in the parking lot of BOLO. Yep, the same day as the backpack pickup. They do a great job with a variety of vendors and lots to do for the kids. Check it out!

Being healthy isn't a fad or a trend, it's a lifestyle! BOLO is hosting its annual Health Fair on **Saturday September 9<sup>th</sup> from 10-2pm**. This event will have a Flu Shot Clinic (bring your insurance card), blood pressure monitoring, there will be a visit from Erie Co Sheriffs, lots of health-related exhibits, giveaways free yoga classes for kids and adults a fun kid's area with lots of games and activities, food...all for FREE! This is in conjunction with Colden's fall festival so make a day of it in the sun kissed hills of Colden! Be Strong. Be Healthy. Be Happy!

A special thank you to those who donated to the 2023 Give716 fundraising campaign July 16-18. It was our first year participating and proved to be a great success with BOLO receiving \$2,806! Thank you!

Mark your calendars, the fun continues! On **Saturday September 16th** BOLO will have a HUGE Barn Sale, and 'Antique Roadshow' like appraisal stand and so much more! Stay tuned for more details.

Do you have a few hours a month? Or maybe more often? Would you like to volunteer from home? Do you need community service hours? Get them done and out of the way this summer! Handy with a hammer and saw? Office work? Marketing? Bread of Life has many opportunities. We can find something for you! Please give us a call at 941-3550 or better yet stop in!

Remember to follow us on FB and Instagram and visit our website www.breadoflifecolden.org

Always grateful, Pat

August 1, 2023

Mr. Jason Keding, Town Supervisor Town of Boston 8500 Boston State Road Boston, NY 14025

Dear Supervisor Keding:

Enclosed is the January 1, 2023 Annual Report for the Town of Boston Fire Protection District Service Award Program. The program contribution due in 2023 to the Trust Fund is \$399,491. Please read the Special Commentary in the Annual Report for information on the Program's funding progress. The program continues to be underfunded putting future benefits for participants in jeopardy.

Since 2014, the Town has not met the actuarially determined contribution. The accumulated underfunding amounts to over \$1.3 million. If this persistent underfunding continues to go unaddressed, we expect the plan's funded status (only 39% as of January 1, 2023) will continue to decline. We urge the Town to increase its future contributions in order to meet the funding obligation for the program.

The impact of the historically low assets returns during 2022 will continue to be felt on plan contributions in 2025 and 2026. While our asset smoothing method helps to defer some of the loss to future years, the Town may want to increase the program budget in anticipation of expected contribution increases. Please read the enclosed Annual Report Commentary for more information.

- Enclosed are six copies of the Executive Summary, which extracts important report information. Please provide each Town Board member with a copy of the Executive Summary and review the material carefully.
- We have also drafted a notice of forfeiture letter to the participants who have been forfeited on December 31, 2022. We recommend that an authorized representative sign and send these letters on Town letterhead.
- Also enclosed is a set of participant statements for the Town's records. Two sets of statements were also mailed to the fire companies for distribution to the participants.

An invoice for our fees will be mailed separately.

If you would like to have a representative from Penflex meet with the Town Board to review the enclosed Annual Report and discuss the issues therein, please contact our office.

Thank you for the opportunity to serve the Town of Boston and its volunteers.

Sincerely,

an Ou

## TOWN OF BOSTON FIRE PROTECTION DISTRICT SERVICE AWARD PROGRAM

ACTUARIAL VALUATION AS OF JANUARY 1, 2023

50 CENTURY HILL DRIVE, SUITE 3 LATHAM, NY 12110 PHONE (800) 742-1409 FAX (518) 783- 6915 INFO@PENFLEXINC.COM WWW.PENFLEXINC.COM

**SERVING YOUR VOLUNTEERS SINCE 1990** 

#### **Actuarial Certification**

#### January 1, 2023 Valuation

The purpose of this report is to provide the Program Sponsor, Program Administrator, and other officials associated with the operation of the Program with information regarding the annual contribution requirement and the overall financial health of the Program. In order to appropriately fund for the benefits promised to volunteers and their beneficiaries, annual actuarially determined contributions are required. This report provides information and documentation regarding the participant and financial data, actuarial methods and assumptions, and the interpretation of the Program provisions used in determining the annual contribution requirements.

The participant and financial data used in this valuation were provided by the Program Sponsor, the investment provider, and/or the volunteer organization. We have not audited the data, but reviewed it for reasonableness and consistency and have relied upon it for the valuation of Program liabilities. We are not aware of any material imperfections in the data, but changes in the data may cause changes in the results contained in this report. Any irregularities of any kind noted by the user of this report must be reported to Penflex Actuarial Services, LLC immediately.

Penflex Services, LLC has prepared this report for the exclusive use of the Program Sponsor and the participants and designated beneficiaries of the Program. This report should not be relied on for any purpose other than the purpose stated nor shared with any other party without the express written consent of Penflex Actuarial Services, LLC.

Future actuarial results may differ significantly from the current results presented in this report due to such factors as the following: Program experience differing from that anticipated by the economic or demographic assumptions; changes in economic or demographic assumptions; changes expected as part of the natural operation of the actuarial methodology (such as the end of an amortization period); and changes in plan provisions or applicable law. An analysis of the potential range of such future differences is beyond the scope of this report.

It is my opinion that the actuarial methods and assumptions are reasonably related to the experience and future expectations of the Program. I certify that the actuarial calculations, based on my understanding of the provisions of the Town of Boston Fire Protection District Service Award Program, have been performed in accordance with generally accepted actuarial principles and standards of practice.

I am a Fellow of the Society of Actuaries and a member of the American Academy of Actuaries. I meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinions contained in this report.

Eric Veletzos, FSA, EA, MAAA

Date

### JANUARY 1, 2023 ANNUAL REPORT COMMENTARY

The following commentary provides a summary of key results from the January 1, 2023 Annual Report of the Town of Boston Fire Protection District Service Award Program. Please refer to the full set of corresponding Annual Report exhibits for Program cost calculation details.

### Calculated Program Contribution and Plan Funding

The program contribution to be made to the Trust Fund in 2023 is \$399,491. New York State General Municipal Law Article 11-A Section 219(d) requires a program sponsor to contribute the actuarially determined amount annually. Therefore, we suggest that the Town contribute the full amount owed by year end.<sup>1</sup>

The Town continues to underfund the program on an ongoing basis. Over the last nine years, the Town has underpaid the program contribution by more than \$1.3 million dollars. (see the Fact Sheet in the Annual Report for more details). As a result, the funded ratio has remained below 50% for the past seven years. This general decline in the funded ratio is expected to continue if the Town continues the practice of failing to make sufficient contributions. The actuarially determined program contributions in the Penflex Annual Reports are designed to put the Program on a path to sustainability if they are contributed in full each year.

The Trust Fund's investment return for 2022 was -16.9%, resulting in an investment loss when compared to the rate of return assumption used to value the plan liabilities. The smoothed assets (Actuarial Value or AVA) returned -0.6% for the most recent year. The smoothing method defers some of the investment loss over the next two years which reduces volatility in current and future contribution requirements.

The funded ratio is 39% as of January 1, 2023, compared to 46% as of January 1, 2022. This ratio of the Trust Fund assets to the actuarial accrued liability measures the progress in funding the service awards that have been promised. The total unfunded liability for the Program is \$3,452,912 as of January 1, 2023.

As shown in the table below, if the Town continues to contribute below the calculated contribution the funded ratio will continue to decline. Service award program payments will soon be greater than \$450,000 annually and will exceed the combination of anticipated investment income and Town contributions, thereby drawing down the program assets. The Balance column below shows this draw down:

Program Year	January 1 <sup>st</sup> Trust Fund Balance	Service Award Program Payments	Program Contribution	Actuarial Accrued Liability	Funded Ratio
2023	\$2,169,892	\$396,000	\$200,000	\$5,622,804	39%
2024	\$2,078,000	\$408,000	\$200,000	\$5,613,000	37%
2025	\$1,969,000	\$416,000	\$200,000	\$5,596,000	35%
2026	\$1,846,000	\$422,000	\$200,000	\$5,576,000	33%
2027	\$1,711,000	\$432,000	\$200,000	\$5,556,000	31%

If this problem continues to go unaddressed, the program will become insolvent, meaning that the Trust Fund will not have enough assets to pay benefits. We urge the Town Board to increase its future contributions in order to meet the funding obligation for the program as currently configured. Alternatively, freezing or terminating the program might make it more affordable.

Total		\$122,197	(\$63,882)	\$2,916	\$58,234	\$119,467		\$62,728

### Exhibit VIII

### Projection of Program Payments and Trust Fund Assets

Projected actuarially determined contributions are based on current plan provisions and actuarial assumptions that are assumed to be precisely realized. Changes in plan provisions or actuarial assumptions, as well as actual experience, will produce actuarial gains and losses which, in turn, result in contribution requirements that may be higher or lower.

Projections are based on the assumption that Active Participants will remain active until reaching Entitlement Age and earn a year of service credit in each year. It is also assumed that all Participants will survive to collect their monthly payments. Estimates should only be used as a rough guide for future contribution requirements.

### Current Assumed Rate of Investment Return: 5.00%

Plan <u>Year</u>	January 1 <sup>st</sup> Trust Fund <u>Balance</u>	Service Award Program <u>Payments</u>	Estimated Trust Fund <u>Deposit</u>	Actuarially Determined <u>Contribution</u>
2023	\$2,169,892	\$396,340	\$200,000	\$399,491
2024	\$2,077,198	\$408,000	\$200,000	\$413,000
2025	\$1,967,921	\$416,000	\$200,000	\$430,000
2026	\$1,844,983	\$422,000	\$200,000	\$440,000
2027	\$1,709,750	\$432,000	\$200,000	\$449,000

Note: The program sponsor has not contributed the actuarially determined contribution for years. Therefore, the projection of the Trust Fund balance shown above is based on an annual contribution of \$200,000, which is the amount that the program sponsor has been depositing annually into the Trust Fund. Projected Monthly Service Award Payments are calculated based on the normal form of payment: 10-year certain and continued life annuity.

Entimated

#### **Risk Assessment, Maturity Measures and Sensitivity Analysis**

Defined benefit Length of Service Award Programs (LOSAPs) are exposed to various risks that can affect program funding and calculated contributions. The three most significant risks that LOSAPs are exposed to are:

1) Investment Risk: the potential that investment returns will be different than expected. In general, this type of risk will increase as the percentage of equity assets in a portfolio increases.

2) Longevity Risk: the potential that mortality experience will be different than expected. For instance, if participants live substantially longer than anticipated, actual program costs will be higher as a result.

3) Contribution Risk: the potential that the program sponsor fails to make the full actuarially determined contribution. If the appropriate contributions are not made annually, the program may become underfunded and, eventually, unable to pay promised benefits.

When deciding how much risk taking is appropriate, program sponsors can consider the level of plan maturity. When a program is first established, it will typically have zero or very few entitled participants. This means that there is relatively little cash outflow in the form of benefit payments and a large amount of cash inflow in the form of program contributions. As the program matures, the number of entitled and terminated vested participants will exceed the active participants, resulting in a support ratio that is greater than one. More mature plans will use a larger percentage of assets to make benefit payments, thereby making them more susceptible to volatility in asset values.

	(A)	(B)	(C)		Maturity Measures	
Plan Year <u>Ending</u>	Benefit Payments <u>&amp; Expenses</u>	Net Program <u>Assets</u>	Trust Fund <u>Contribution</u>	(A) / (B) Benefits to <u>Assets</u>	(A) / (C) Benefits to <u>Contributions</u>	Support <u>Ratio<sup>1</sup></u>
2018	\$340,520	\$2,350,328	\$150,000	14.5%	227.0%	2.54
2019	\$305,611	\$2,597,368	\$200,000	11.8%	152.8%	2.43
2020	\$426,257	\$2,549,887	\$200,000	16.7%	213.1%	2.56
2021	\$340,868	\$2,612,629	\$200,000	13.0%	170.4%	2.58
2022	\$393,496	\$2,169,892	\$393,189	18.1%	100.1%	2.35

In general, the maturity measures shown above will increase over time as the number of entitled participants increases relative to active participants. In the early years of a program, when the plan is less mature, the ratio of benefit payments to program contributions will be low - less than 100% - indicating positive net cash flow into the program. A fund with postive net cash flow can better tolerate the volatility of investment risk since it will have a longer time horizon to make up for a drop in asset value than a fund with negative cash flow. For this reason, as a program becomes more mature, some sponsors may reduce exposure to investment risk by reducing the overall equity allocation in the fund. This can help shield the assets that are relied on to make benefit payments from short-term volatility in equity markets.

#### Sensitivity Analysis of the Actuarially Determined Contribution

The measurement of the program liabilities is dependent on the actuarial assumptions used to model future events. To the degree that actual experience differs from the assumptions used, actuarial gains and losses will result, causing the program contribution to be lower or higher. The table below illustrates how the program contribution and funded ratio could be affected if there were deviations in the assumed rate of investment return, entitled participant mortality, or the overall level of program assets. Future experience may vary significantly from both our current assumptions and the scenarios illustrated below.

Assumption	Adjustment	Actuarially Determined <u>Contribution</u>	Funded <u>Ratio</u>
Current	None	\$399,491	39%
Rate of Investment Return	Decrease from 5.00% to 4.75%	\$415,000	38%
Rate of Investment Return	Decrease from 5.00% to 4.50%	\$425,000	36%
Entitled Participant Mortality Rates	Increase of 10%	\$390,000	40%
Entitled Participant Mortality Rates	Decrease of 10%	\$415,000	38%
12/31/2022 Market Value of Assets	Decrease of 10%	\$410,000	35%

. ..

<sup>1</sup> For measurement purposes, the support ratio is defined as the ratio of entitled and terminated vested participants to the active and inactive participants.

### Exhibit XII

### **Calculation of Actuarial Value of Assets**

The Actuarial Value of Assets represents a smoothed value of program assets that is used in the calculation of the calculated program contribution. Investment gains or losses in relation to the assumed rate of return are spread out and recognized over a three-year period. This method results in more stable asset values and, ultimately, more stable contribution requirements.

		Expected				
Plan Year <u>Ending</u>	Market Value <u>of Assets</u>	Sponsor <u>Contributions</u>	Benefits and <u>Expenses</u>	Market Value <u>Assets<sup>1</sup></u>	Investment <u>Gain/(Loss)<sup>2</sup></u>	Actuarial Value of Assets <sup>3</sup>
12/31/2018	\$2,350,328	\$150,000	\$340,520	\$2,636,550	(\$286,222)	\$2,510,260

12/31/2022	\$2,169,892	\$393,189	\$393,496	\$2,742,946	(\$573,054)	\$2,525,396

<sup>1</sup> Expected Market Value of Assets = [Prior Year Market Value of Assets] x (1+i) + [Contributions] x (1+i)<sup>1/2</sup> - [Benefits & Expenses] x (1+i)<sup>1/2</sup> <sup>2</sup> Investment Gain/(Loss) = [Market Value of Assets] - [Expected Market Value of Assets]

<sup>3</sup> Actuarial Value of Assets = [Market Value of Assets] - (2/3) x [Current Year Investment Gain/(Loss)] - (1/3) x [Prior Year Investment Gain/(Loss)]

The value of i represents the Assumed Rate of Investment Return in that valuation year.

# Town of Boston Fire Protection District Service Award Program Summary of Program Provisions effective as of January 1, 2023

~

Type of Program:	Defined Benefit
Effective Date:	January 1, 1992
Participant:	Individual who has satisfied the following eligibility requirements: must be at least 18 years old and earn one year of Service Credit
Entitlement Age (EA):	Later of age 60 or age upon earning first year of Service Credit
Monthly Accrual Rate:	\$20 per year of Service Credit
Service Credit:	One year of Service Credit for each calendar year with 50 or more points under the Point System
Prior Service Credit:	Maximum 5 years of credit for service prior to the Effective Date
Service Credit Maximum:	The maximum number of years of Service Credit a Participant may earn is 40 (including any Prior Service Credit)
Accrued Benefit:	Monthly Accrual Rate multiplied by years of Service Credit
Vesting:	A Participant becomes 100% vested upon earning 5 years of Service Credit, attaining the EA while an active member, becoming totally and permanently disabled, or upon death.
Forfeiture Rule:	December 31 <sup>st</sup> of year in which membership ceases or 3 consecutive years without Service Credit
Forfeiture Restoration:	None allowed
Normal Form of Payment:	Lifetime monthly annuity guaranteed for 10 years
Optional Form of Payment:	None
Benefit Commencement:	The first day of the month coincident with or following the date on which the Participant attains the EA
Post-EA Accruals:	Service Credit earned in the year of attaining the EA and thereafter is paid effective the January 1 <sup>st</sup> following the year in which it was earned
Pre-EA Total and Permanent Disability Benefit:	Lump sum equal to the actuarial present value of accrued benefit
Pre-EA Death Benefit:	Active members who have earned a year of Service Credit within the last 3 years: greater of actuarial present value of accrued benefit or \$20,000; all others: actuarial present value of accrued benefit
Post-EA Death Benefit:	Beneficiary has the option to continue monthly payments for the remainder of the 10-year guaranteed period or receive an actuarially equivalent lump sum

#### Town of Boston Fire Protection District Service Award Program Actuarial Methods and Assumptions as of January 1, 2023

# Type of Program:Defined Benefit Service Award ProgramActuarial Cost Method:Attained Age Normal

Under the Attained Age Normal Cost Method, there are two components to the annual contribution each year. The first component, the Normal Cost, is equal to the level annual payment required to fund the current participants' projected benefits based on their service credit earned after the effective date of the Program and before the Entitlement Age. The second component, the annual amortization cost, equals the level annual payments required to fund the liabilities accrued due to (1) service credit earned before the effective date of the Program, (2) service credit earned after attainment of the Entitlement Age, or (3) other unfunded accrued liability over the amortization period(s).

Under the Attained Age Normal Cost Method, the unfunded accrued liability is calculated using the Unit Credit Cost Method. All other calculations proceed like the Frozen Initial Liability Cost Method.

Amortization period for post-EA service liability: 3 years, closed

Market Value of Assets: Assets are valued at fair market value; insurance contracts are valued at contract value. Assets are adjusted for benefits payable.

Actuarial Value of Assets: A smoothed market value of assets is calculated by phasing in gains and losses in relation to the assumed rate of return over a three-year period.

#### **Actuarial Assumptions**

Valuation Date:	January 1, 2023
Plan Year:	January 1, 2022 – December 31, 2022
Assumed Investment Rate of Return:	5.00%, net of investment expenses
Pre-Entitlement Age Mortality Table:	None
Post-Entitlement Age Mortality Table:	RP-2014 Male Mortality Table without projection
Valuation Age:	Exact age on the valuation date, with annuity values linearly interpolated between whole ages
Contribution Timing Adjustment:	Made 12 months after the valuation date
Entitlement Rate:	100% at Entitlement Age
Realization Rate for Active Participants:	100% to Entitlement Age for those who have earned at least one year of service credit in the prior three years; 0% otherwise
Withdrawal Rates:	None
Administrative Cost:	Fees paid from the Trust Fund are reimbursed back to the Fund as part of the calculated program contribution
Death Benefit:	The minimum \$20,000 Pre-EA active member death benefit is funded by a group-term life insurance policy

# **Glossary of Annual Report Terms**

Actuarial Accrued Liability:	The portion of the Present Value of Benefits that is attributed to past service credit representing award payments that have already been earned by participants.
Actuarial Assumption:	Assumption as to the occurrence of future events affecting program costs, such as: mortality, withdrawal, or rate of investment earnings on Trust Fund assets.
Actuarial Cost Method:	A procedure for allocating the Present Value of Benefits to current and future years which helps determine how much to contribute to the Trust Fund each year.
Actuarial Experience:	The actual events that occur each year affecting participants and assets, measured in comparison to the Actuarial Assumptions.
Actuarial Value of Assets:	A smoothed value of Net Program Assets in which investment gains or losses in relation to the assumed rate of investment return are spread out and recognized over a period of time in order to reduce year-to-year volatility in the calculated contribution.
Amortization Payment:	The annual payment along with interest that is included in the calculated contribution, which will fully pay off a liability amount over the Amortization Period.
Amortization Period:	The number of years over which the liability will be fully paid.
Funded Ratio:	The Net Program Assets divided by the Actuarial Accrued Liability.
Mortality Table:	Contains the expected death rates of participants.
Net Program Assets:	The fair market value of assets at the valuation date, adjusted for benefits payable. Insurance contracts are valued at contract value.
Normal Cost:	The annual cost calculated, under the Actuarial Cost Method, to fund the current accruals.
Post-Entitlement Age Liability:	The Present Value of Benefits for participants who have attained entitlement age, begun collecting benefits and earn service credit.
Present Value of Benefits:	The amount needed to provide future payments discounted using an assumed interest rate and other Actuarial Assumptions. In other words, it is the value that would have to be invested on the valuation date so that the amount invested plus investment earnings would provide enough assets to pay all projected benefits when due.
Temporary Annuity:	The present value of an annuity of 1 per year over the expected future service of an active participant.
Unfunded Actuarial Accrued Liability:	The excess of the Actuarial Accrued Liability over the Net Program Assets.

#### Summary of Program Provisions

Name of Program: Boston Emergency Squad Volunteer Ambulance Worker Service Award Program

Type of Program: Defined Contribution Plan

Effective Date: January 1, 1997

Entitlement Age: Age 60

Annual Service Award Contribution: \$700 effective 1/1/2009, \$480 prior to 1/1/2009.

Prior Service Contribution: \$480

Maximum Years of Service Credit: 40

Maximum Years of Prior Service Credit: 5

Participant's Service Award 100% Vested When:

- i) The participant has earned credit for five years of vesting service (vesting service is service credit earned after the effective date of the program)
- ii) The participant is awarded a Total and Permanent disability.

**Commencement of Payment at Entitlement Age:** A participant may apply to receive payment of his/her account balance as of the end of any quarter after becoming 100% vested and attaining the Entitlement Age. The participant has the option to be paid in one lump-sum or in two annual installments. Payment will not be made until a completed application is received.

**Total and Permanent Disability Benefit:** Lump-sum payment equal to the participant's account balance as of the quarter following the application for a Total and Permanent disability is approved. The participant has the option to be paid in one lump-sum or in two annual installments.

**Pre-Entitlement Age Death Benefit:** Lump-sum payment equal to the participant's vested account balance as of the quarter following the date the application is received. The beneficiary has the option to be paid in one lump-sum or in two annual installments.

Administration Costs: Paid from the participant account balances.

# SERVICE AWARD PROGRAM EXECUTIVE SUMMARY

# TOWN OF BOSTON FIRE PROTECTION DISTRICT SERVICE AWARD PROGRAM

# JANUARY 1, 2023 ANNUAL REPORT COMMENTARY

The following commentary provides a summary of key results from the January 1, 2023 Annual Report of the Town of Boston Fire Protection District Service Award Program. Please refer to the full set of corresponding Annual Report exhibits for Program cost calculation details.

#### Calculated Program Contribution and Plan Funding

The program contribution to be made to the Trust Fund in 2023 is \$399,491. New York State General Municipal Law Article 11-A Section 219(d) requires a program sponsor to contribute the actuarially determined amount annually. Therefore, we suggest that the Town contribute the full amount owed by year end.<sup>1</sup>

The Town continues to underfund the program on an ongoing basis. Over the last nine years, the Town has underpaid the program contribution by more than \$1.3 million dollars. (see the Fact Sheet in the Annual Report for more details). As a result, the funded ratio has remained below 50% for the past seven years. This general decline in the funded ratio is expected to continue if the Town continues the practice of failing to make sufficient contributions. The actuarially determined program contributions in the Penflex Annual Reports are designed to put the Program on a path to sustainability if they are contributed in full each year.

The Trust Fund's investment return for 2022 was -16.9%, resulting in an investment loss when compared to the rate of return assumption used to value the plan liabilities. The smoothed assets (Actuarial Value or AVA) returned -0.6% for the most recent year. The smoothing method defers some of the investment loss over the next two years which reduces volatility in current and future contribution requirements.

The funded ratio is 39% as of January 1, 2023, compared to 46% as of January 1, 2022. This ratio of the Trust Fund assets to the actuarial accrued liability measures the progress in funding the service awards that have been promised. The total unfunded liability for the Program is \$3,452,912 as of January 1, 2023.

As shown in the table below, if the Town continues to contribute below the calculated contribution the funded ratio will continue to decline. Service award program payments will soon be greater than \$450,000 annually and will exceed the combination of anticipated investment income and Town contributions, thereby drawing down the program assets. The Balance column below shows this draw down:

Program Year	January 1 <sup>st</sup> Trust Fund Balance	Service Award Program Payments	Program Contribution	Actuarial Accrued Liability	Funded Ratio
2023	\$2,169,892	\$396,000	\$200,000	\$5,622,804	39%
2024	\$2,078,000	\$408,000	\$200,000	\$5,613,000	37%
2025	\$1,969,000	\$416,000	\$200,000	\$5,596,000	35%
2025	\$1,846,000	\$422,000	\$200,000	\$5,576,000	33%
			•	\$5,556,000	31%
2020	\$1,711,000	\$432,000	\$200,000	\$5,556,000	31%

If this problem continues to go unaddressed, the program will become insolvent, meaning that the Trust Fund will not have enough assets to pay benefits. We urge the Town Board to increase its future contributions in order to meet the funding obligation for the program as currently configured. Alternatively, freezing or terminating the program might make it more affordable.

# TOWN OF BOSTON FIRE PROTECTION DISTRICT SERVICE AWARD PROGRAM

# JANUARY 1, 2023 ANNUAL REPORT COMMENTARY

#### Participant Activity during 2022

Participants Herbert Klein and Robert Zwack passed away. Since they had already received 120 guaranteed monthly payments prior to their death, there were no death benefit payable.

Participant Corbin Denfrund left the fire department during 2022. Consequently, he completely and permanently forfeited their accrued Service Awards and service credit on December 31, 2022.

The following participants reached the entitlement age in 2022 and began to receive their monthly Service Awards.

- Robert Karcher
- James Dzierzanowski
- Cheryl Thiel
- Robert Pollinger
- James Pluta
- Susan Lindner

- How we integrate Smart Growth with Boston interests...
- Community Outreach Updates
  - Summer Concert Series.
    - 8/8/2023: Feedback- need paper surveys, more awareness to what the comprehensive plan is. Overall positive feedback from community.
    - 8/15/2023: Cancelled due to rain.
  - Paper Surveys: Will be updated to include a paragraph about project, drop off location.
  - More outreach is necessary- getting fliers throughout the community.
  - Larger lawn signs? -possible through town.
- Current Survey status
  - Early issues and how they were addressed.
  - New flier to be created: make link more prominent, as well as where to find paper surveys.
- Upcoming Public Meeting 8/28/2023

- Meeting Agenda Review
- Participation/ Committee(s) Roles: Flow- let people loose to stop at the different "Stations"
- Survey station with either ipads/laptops
- Make Physical Idea wall to house at Town Hall, to continue to garner feedback from community.

FOR IMMEDIATE RELEASE August 24

## NYSEG Conducting State and Federal Mandatory Inspections on Gas Meters

Inspections are ongoing throughout the year to support safe delivery of natural gas into homes and businesses

#### Part of State Public Service Commission requirement

**BINGHAMTON, N.Y. — August 24, 2023 —** New York State Electric & Gas (NYSEG) will be in neighborhoods across the region inspecting natural gas meters that are located inside homes and businesses. This is a federal and state requirement that supports safe delivery of natural gas to homes and businesses.

There are approximately 63,000 indoor meters in NYSEG's service territory. Of those, 10,000 are due to be inspected this year. Inspectors will use a device to detect any gas leakage and complete a visual inspection for corrosion on all exposed piping up to the natural gas meter inside your home and business.

"Any number of issues can go unnoticed if our gas infrastructure isn't inspected," said Chris Hepler, manager of NYSEG Gas Operations Technical Services. "Excessive corrosion, abnormal operating conditions, and leaks are just a few of the issues that could pose a problem for customers and property if the inspections don't identify them for resolution."

NYSEG employees and qualified contractors will perform the inspections. They will identify themselves and show green or yellow company identification badges before entering your home. NYSEG encourages customers to always ask to see the ID of any employee and contractor. You can expect to see inspectors in your neighborhood Mondays through Saturdays. The inspection will take approximately 10 minutes to complete.

If you are not available or we are unable to access the meter, we will leave an informational card and schedule a second visit. If we are unable to gain access to a meter, gas service could be shut off until it is deemed safe, and customers may be charged a \$100 fee. You can learn more about the inspections here <u>Gas Safety Inspections - NYSEG</u>

###

About NYSEG: New York State Electric & Gas Corporation (NYSEG) is a subsidiary of Avangrid, Inc. Established in 1852, NYSEG operates approximately 35,000 miles of electric distribution lines and 4,500 miles of electric transmission lines across more than 40% of upstate New York. It also operates more than 8,150 miles of natural gas distribution pipelines and 20 miles of gas transmission pipelines. It serves approximately 894,000 electricity customers and 266,000 natural gas customers. For more information, visit <u>www.nyseg.com</u>.

About Avangrid: Avangrid, Inc. (NYSE: AGR) aspires to be the leading sustainable energy company in the United States. Headquartered in Orange, CT with approximately \$41 billion in assets and operations in 24 U.S. states, Avangrid has two primary lines of business: networks and renewables. Through its networks business, Avangrid owns and operates eight electric and natural gas utilities, serving more than 3.3 million customers in New York and New England. Through its renewables business, Avangrid owns and operates a portfolio of renewable energy generation facilities across the United States. Avangrid employs more than 7,500 people and has been recognized by JUST Capital in 2021, 2022 and 2023 as one of the JUST 100 companies – a ranking of America's best corporate citizens. In 2023, Avangrid ranked first within the utility sector for its commitment to the environment. The company supports the U.N.'s Sustainable Development Goals and was named among the World's Most Ethical Companies in 2023 for the fifth consecutive year by the Ethisphere Institute. Avangrid is a member of the group of companies controlled by Iberdrola, S.A. For more information, visit <u>www.avangrid.com</u>.

# County of Erie

August 22, 2023

MICHAEL P. KEARNS COUNTY CLERK

Sandra L. Quinlan Boston Town Hall- 8500 Boston State Rd. Boston, NY 14025

#### Re: Erie County Clerk's Office Revenue Deficit

Dear Sandra L. Quinlan:

I am writing to alert you of an unfortunate deficit in the recording fee revenue of the Erie County Clerk's Office, stemming from the dire outlook in the current real estate market brought about by low inventory and spiking interest rates.

As of July 31, 2023, the Clerk's Office has only collected \$2,971,574.00 in recording fees. While the 2023 budget for the Clerk's Office for recording fees was initially projected to be \$7,365,400.00, current projections estimate a staggering shortfall of \$2,251,431.00. It is not unreasonable to call this shortfall distressing.

This situation is likely to extend beyond 2023. Due to the current real estate market, the \$4.5 Million projected budget for 2024 recording fees is the lowest it was ever been since I became Erie County Clerk.

The cities, towns, and villages in Erie County depend on revenue raised by the Clerk's Office. This deficit will unfortunately have a negative impact on your municipality and potentially your local government's budget.

Please do not hesitate to contact my office with any questions. I am happy to meet with you and local representatives concerning this situation if desired.

Very truly yours,

#### Sandra Quinlan

From: Sent: To: Subject: Sandra Quinlan Tuesday, August 15, 2023 3:49 PM Rooney, Justin RE: Boston

Hi Justin,

It was a pleasure speaking to you last week and yesterday. I will notify Supervisor Keding that you and I have spoken, and have scheduled the Board of Election training courses for: Wednesday October 3<sup>rd</sup> and Thursday October 4<sup>th</sup>, Town Hall Community Room. Morning session: 9:00 am to 11:30 am Afternoon session: 1:30 pm to 4:00 pm.

Thank you,

Sandy

Sandra Quinlan Boston Town Clerk

8500 Boston State Road Boston, NY 14025 (716) 941-6113 (716) 941-6116 (Fax)

From: Rooney, Justin <Justin.Rooney@erie.gov> Sent: Monday, August 7, 2023 5:14 PM To: Sandra Quinlan <townclerk@townofboston.com> Subject: Boston

Sandra,

As you are aware, the Erie County Board of Elections annually hosts training courses for the inspectors who oversee our polling locations and guide the public through the voting experience. Their services are critical to the success and integrity of our local electoral process.

In the past you have generously provided space for these sessions, and it is my/our hope that you will do so again in 2023. If that is the case, please review the class schedule below and advise me/us of your availability:

10/3 and 10/4 8:30am to 4:00pm.

Classes go up to 30 Inspectors and we would need a table and chairs for that amount.

#### TOWN OF BOSTON – RESOLUTION NO. 2023 - 75

#### ADOPTION OF EMERGENCY CLOSURE POLICY

At a Regular Meeting of the Boston Town Board Erie County, New York, on the 6th day of September, 2023 at 7:30 pm Eastern Prevailing Time there were:

Present: Supervisor Jason A. Keding, Councilman Michael Cartechine, Councilwoman Jennifer Lucachik, Councilwoman Kelly Martin and Councilwoman Kathleen Selby

**NOW THEREFORE BE IT RESOLVED**, that the Town of Boston does hereby adopt the attached Emergency Closure policies and procedures for this year:

On September 6, 2023, the question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

	Y	es	N	lo	Abs	tain	Abs	ent
Councilmember Cartechine	[	]	[	]	[	]	[	]
Councilmember Lucachik	[	]	[	]	[	]	[	]
Councilmember Martin	[	]	[	]	[	]	[	]
Councilmember Selby	[	]	[	]	[	]	[	]
Supervisor Keding	[	]	[	]	[	]	[	]

Sandra L. Quinlan, Town Clerk

## **Emergency Closure Policy**

**Objective:** This policy outlines the procedures and guidelines for emergency closures of our municipal workplace to ensure the safety and well-being of employees and the public during unforeseen events.

**1. Emergency Closure Determination:** The decision to close the municipal workplace during an emergency will be made by the Town Supervisor and/or Town Board members based on the assessment of the situation and in accordance with applicable laws and regulations.

**During Work** – During periods of extraordinary weather conditions or other emergencies, the Town Supervisor, or designated representative, may direct that certain employees who perform non-essential services leave work.

**Prior to Reporting to Work** – In the event extraordinary weather conditions or other emergencies develop which prompts the Town Supervisor, or designated representative, not to open some or all the offices, employees will be notified by 8 A.M. on the day of closure.

**2. Types of Emergencies:** An emergency closure may be declared in the following situations (but not limited to):

- Severe weather conditions (e.g., hurricanes, snowstorms, flooding)
- Natural disasters (e.g., earthquakes, wildfires)
- Public health emergencies (e.g., pandemics, contagious disease outbreaks)
- Infrastructure failures (e.g., power outage, gas leak, building damage)
- Other circumstances that pose significant risks to employee safety and prevent normal operations.

**3. Notification Process:** In the event of an emergency closure, the following steps will be taken to inform employees and the public:

- Notification of Town office closings will be made by phone calls to department heads. Department heads will be responsible for notifying their team of the closure. Employees not sure if a Town office closing affects them are expected to call in to their Department Head.
- Employees will be notified via email, phone calls, and/or text messages to the phone numbers provided on their Emergency Contact sheets at date of hire.
- A notice will be posted on the official municipal website and social media channels.
- Local media outlets and relevant authorities will be notified to disseminate information to the public.

#### 4. Personnel Directions:

a. **Essential Personnel:** During an emergency closure, certain positions may be designated as "essential personnel". Essential personnel are required to report to work or remain on-call to

ensure critical operations continue. These positions will be identified by the Town of Boston Supervisor and/or the Town Board based on the type of emergency.

b. **Non-Essential Personnel:** Non-essential personnel are not required to report to work during an emergency closure. Instead, they should follow the instructions provided in the notification and stay informed through official communication channels. Non-essential personnel may be required to work from home, use their accruals, or make up hours to cover the time lost during closure.

#### 5. Employee Compensation:

a. **Essential Personnel:** Essential personnel required to work during the emergency closure will be compensated for their hours worked according to their regular pay rate.

b. Non-Essential Personnel: Non-essential personnel will be handled as follows:

- If the emergency closure starts during the workday, all employees who are sent home will be paid for the remainder of their normal workday.
- If the emergency closure lasts for a full workday, non-essential personnel who were normally scheduled to work that day will be granted administrative leave with pay for that day.
- If the emergency closure extends beyond a full workday, non-essential personnel may be required to utilize available paid time off (e.g., vacation, personal days) for the additional days, or work from home.

**6. Remote Work and Telecommuting:** Whenever feasible and depending on the nature of the emergency, employees may be authorized to work remotely or telecommute during the closure period. This decision will be made by the Town of Boston Supervisor and/or the Town Board based on the specific circumstances and duration of the emergency.

**7. Returning to Work:** Employees will be informed through the same communication channels once it is safe to return to the workplace. Regular operations will resume based on the instructions provided by the Town Supervisor and/or the Town Board.

**8. Review and Revision:** This policy will be reviewed periodically and updated as necessary to ensure compliance with changing laws, regulations, and best practices.

By following this Emergency Closure Policy, we aim to protect the safety of our employees and the community while maintaining essential services during challenging times.

#### MEMORANDUM

To: Restaurant and Bar Owners - Town of Boston

From: Boston Town Clerk

Re: Live Entertainment Permit Requirement

Please be advised that pursuant to Boston Town Code 123-71(6), effective 9/18/02, a Special Permit is required for live performances of musical entertainment, stage shows, reviews or other live performances using sound amplification devices.

The term of each permit shall not exceed two years. Unless otherwise provided, the first such permit issued to any applicant shall expire on the 30<sup>th</sup> day of June of the first full calendar year following the issuance of the permit; additional permits shall expire on the 30<sup>th</sup> day of June of the second calendar year following the date of issuance.

The fee for the Special Permit is twenty-five dollars (\$25.00). If you are planning on employing any live entertainment, including but not limited to live bands, you must apply for the permit prior to the intended performance date. An application can be obtained from the Boston Town Clerk at the Boston Town Hall, 8500 Boston State Road, Boston New York.

If there are questions pertaining to the issuance of the Live Entertainment Permit, please call the Boston Town Clerk at 941-6113. Thank you for your cooperation in this matter.

Enc: (2) Local Law No.4 of the Year 2002 Live Entertainment Application

8500 Boston State Road Boston, New York 14025-9848 The Town of Boston is an equal opportunity provider and employer. If you wish to file a Civil Rights program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, found

You may also write a letter containing all of the information requested in the form. Send your completed complaint form or letter to us by mail at U.S. Department of Agriculture, Director, Office of Adjudication, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410 or fax 202-690-7442 or e-mail at program.intake@usda.gov.

## TOWN OF BOSTON NEW YORK

## LOCAL LAW NO. 4

## OF

### **THE YEAR 2002**

#### A LOCAL LAW, TO ESTABLISH A SPECIAL PERMIT REQUIREMENT FOR THE EMPLOYMENT OF LIVE ENTERTAINMENT AT EATING OR DRINKING ESTABLISHMENTS

# BE IT ENACTED BY THE TOWN BOARD OF THE TOWN OF BOSTON AS FOLLOWS:

#### SECTION 1. LEGISLATIVE INTENT

This Local allows the employment of live entertainment in eating and drinking establishments located in C-1 and C-2 Districts.

#### SECTION 2. THE FOLLOWING IS HEREBY ADOPTED:

That Local Law No. 6 for the Year 1990 be amended as follows:

A. In §123-71 B. by adding a new subsection (6) to read in its entirety as follows:

(6) Live performances of musical entertainment, stage shows, reviews or other live performances using sound amplification devices, at eating or drinking establishments authorized as a permitted use in this Section, subject to the following conditions:

1

(a) Term: No such permit shall be issued for a period to exceed two years. Unless otherwise provided the first such permit issued to any applicant shall expire on the 30<sup>th</sup> day of June of the first full calendar year following the issuance of the permit; additional permits shall expire on the 30<sup>th</sup> day of June of the second calendar year following the date of issuance.

(b) Renewal: Applications for renewal may, within the discretion of the Town Board, be subject to a public hearing.

(c) Revocability: The Town Board of the Town of Boston may revoke any such permit, after a public hearing held thereon. The grounds for such revocation shall be limited to the provisions of this sub-section or the failure of the permit holder to comply with such additional conditions imposed at the time of issuance of the permit.

(d) Criteria for Determination: In determining whether or not any such application shall be granted or existing permit revoked the Town Board shall consider the following criteria:

- [1] Proximity of adjacent residential structures.
- [2] Compliance with other provisions of the Town Code, including but not limited to those provisions relating to the generation of noise, vehicular and pedestrian traffic, odors, vapors or other noxious fumes.
- [3] Availability of parking.
- [4] Any other factors that the Town Board determines are relevant to a decision on the application.
- [5] Modification of the premises or alteration of site for which is the subject of the permit.

(e) Hours of Operation: Any such permit may limit, within the discretion of the Town Board, the hours of such performances.

(f) Continuation of existing performances: The Town Board of the Town of Boston hereby finds that certain business establishments may have entered into contracts for live performances in the future. As a result of such finding, no permit shall be required for any business establishment that currently provides for live entertainment until July 1, 2003 based on any contract entered into on or before the effective date of this provision. No exemption from the requirement of

obtaining a permit shall be obtained unless copies of qualifying contracts are filed in the office of the Town Clerk on or before the 1<sup>st</sup> day of October 2002.

(g) Conditions: The Town Board of the Town of Boston may impose appropriate conditions on the issuance of any permit pursuant to this section, based upon the proximity of residential development or any other relevant factors, including but not limited to:

- [1] Limitations on performances or the placing of any speakers broadcasting any performance outside of any structure.
- [2] Requirement that all windows and doors remain closed except for normal ingress and egress.
- [3] Limitation of the volume of any amplified sound generated during a live performance, measured at any or all speakers broadcasting such sound.
- [4] Limitation on the volume of all non-amplified sound at the point of origin.
- [5] Appropriate control of patrons at all times including, but not limited to, activities outside of the establishment where live entertainment is occurring.
- (h) Inspection: As a condition of the issuance of this permit, the permit holder shall permit any duly appointed enforcement officer of the Town of Boston or any police office to enter on to the premises for the purpose of verifying compliance with the conditions of this permit.
- (i) Exceptions: The provisions of this sub-section shall not be applicable to any live performance on property owned by the Town of Boston or the Hamburg Central School District.

(j) Fees. The fee for such special permit and the renewal thereof shall be set forth in the Schedule of Fees, as adopted, by the Town Board of the Town of Boston.

B. In §123-78 A. (5) by adding the phrase, "provided however that no live entertainment shall be permitted except by special permit" after the word "establishments" and before the period in said subsection.

- C. In §123-72 B. by adding a new subsection (3) to read in its entirety as follows:
  - (3) Live entertainment at eating and drinking establishments subject to the

provisions of §123-71 B (6) of this Code.

#### SECTION 3. MISCELLANEOUS

A. This Local Law shall be deemed to supersede and repeal any other Local Laws to the extent therein inconsistent herewith.

B. If any part of the Local Law shall be judicially declared to be invalid, void, unconstitutional or unenforceable, all unaffected provisions hereof shall survive such declaration and this Local Law shall remain in full force and effect as if the invalidated portion had not be enacted.

C. Nothing herein shall be deemed to be a waiver or restriction upon any rights and powers available to the Town of Boston to further regulate the subject matter of this Local Law.

#### SECTION 4. EFFECTIVE DATE

This Local Law shall become effective upon filing with Secretary of State of the State of New York, as required by the Municipal Home Rule Law

SAINT MARTIN'S LUTHERAN CHURCH

of Boston, New York 8304 COLE ROAD • COLDEN, NEW YORK 14033

August 1, 2023

Boston Town Clerk 8500 Boston State Road Boston, NY 14025-9648

#### Ref.: Rental of Lions Shelter on August 13, 2023

Town Clerk Quinlan:

St. Martin's Lutheran Church rented the Lions shelter for Sunday, August 13, 2023, per our application of July 11, 2023, approved by the Town Board on July 19, 2023.

It turns out that we need to cancel our planned activity and the rental. Therefore we are requesting a refund of the \$75.00 fee, which accompanied our application.

(Please note that the refund check should be made out to me, since the fee was paid with my personal check #508.)

Thank you for your assistance and we apologize for the inconvenience.

Respectfully submitted,

R - Ste

David Steiner President St. Martin's Lutheran Church

#### Sandra Quinlan

From:Sandra QuinlanSent:Tuesday, August 1, 2023 3:18 PMTo:David SteinerSubject:RE: Cancellation of Shelter Rental

Hi David,

I will submit your letter of request for refund to the Town Board for the Town Board meeting of August 23<sup>rd</sup> or September 6<sup>th</sup>.

Thank you,

Sandy

Sandra Quinlan Boston Town Clerk

8500 Boston State Road Boston, NY 14025 (716) 941-6113 (716) 941-6116 (Fax)

townclerk@townofboston.com

From: David Steiner >m> Sent: Tuesday, August 1, 2023 8:38 AM To: Sandra Quinlan <townclerk@townofboston.com> Subject: Cancellation of Shelter Rental

Per the attached letter, St. Martin's needs to cancel the rental of the Lions shelter for August 13, 2023.

Thanks for your help,

**Dave Steiner**

Sporting Leagues	\$1,000,000

FEES: A **\$75** Maintenance Fee must be included with this application. These funds will be utilized to cover the cost of bathroom supplies, final clean up and administrative costs.

KEYS: Keys may be picked up on the business day before the scheduled event and should be returned the first business day immediately following.

#### TOWN OF BOSTON PROPERTIES ARE SMOKE FREE

<u>COMMUNITY EVENTS SIGN</u>: If your organization needs to use the Community Announcement sign near the Emergency Squad Bldg, the "Request to use Coming Events Sign" application must be completed and submitted to the Highway/Parks Dept. This form can be obtained from the Town Clerk's Office or at www.townofboston.com.

Requests may be submitted after September 1st the year before your event.

I agree that all facilities used will be properly cleaned to the best of my ability upon completion of the event and that I will be responsible for any damages caused to any of the facilities or grounds. I will submit to the Town Clerk all Certificates of Insurance and NYS Liquor License if necessary at least 1 week prior to my event. I have contacted the above mentioned sporting leagues and there are no conflicts with dates.
